SUMMARY

Full stack web developer leveraging society problems and entertainment to build a helpful website covering functionality and a very good user experience on the web. Recently earned a certificate in full stack development from Vanderbilt University, with newly developed skills in JavaScript, React.js, CSS, HTML and responsive web design. Strengths in teamwork, creativity and efficient problem solver. With each project the main objective is to provide a unique user experience for all visitors. Developed aspects of UX and agile development in a recent project. Excited to leverage web development skills as part of a fast-paced, quality-driven team to build better experiences on the web.

EXPERIENCE

Inventory Support Specialist   2022 – Present
Strategic Technology Solutions   Nashville, TN
Took inventory of laptops, monitors, docks and computer accessories. Organized all orders received and prepared them to be delivered. Labeled all units depending on the agency of purchase. Created Excel spreadsheets and uploaded to SharePoint. Realized Imaging process for laptops and verified the updates.
Key Accomplishments:
- *Organized with all equipment, meeting process deadlines and reducing the workload.*
- *Collaborated with a team of two to fulfill a task of one thousand laptops for imaging in a fast-paced with 100% done in one month.*
- *Coordinated with the tech team to organize and accelerate the imaging process for laptops.*

Junior Web Developer   2021– 2022
G Professional Tree Service   La Vergne, TN
Developed a tree service webpage to bring attention to multiple residents, exhibiting tree services, clients reviews, work gallery, work areas and contact information.
Key Accomplishments:
- *Co-developed a user-friendly, mobile responsive and secure website from scratch meeting the established criteria by the company.*
- *Boosted organization visibility by 20% by receiving calls and emails through the creation of contact forms.*
- *Collaborated with a professional video editor, making the website more attractive to all the audience.*
